

My job by Marina

I worked at a Mexican restaurant in the Embarcadero. My boss didn't pay me for 4 weeks because he said he had no money. I stopped going to work. Now when I go talk with my boss about the money he says he doesn't have the money.

Discussion/writing questions

- What is this story about?
- What is Marina's problem?
- Do you think she did the right thing? Why or why not?
- What should she do next?
- Have you or someone else had a similar experience?
